tnowhc@gmail.com

Please join us for an informative seminar and learn
how we can help you feel better

A delicious raw, organic, vegetarian meal is provided
while you learn how these non-invasive, pain free
techniques can improve your life

∞ Bio-Energetic Assessment ∞

ANN HALLEWELL is a Certified Natural Health Professional
and Holistic Health Practitioner, specializing in Bio-Energetic
Assessment (BEA) at The Nature of Wellness Healing Center.

Using this computerized method of assessing the meridians or
energetic pathways of the body, Ann can determine a tailor
made healing strategy for optimal health and vibrant energy.

∞ Thermography ∞

NINA REA of Infrared Thermal Imaging, is a
Board Certified Thermographic Technician.

You're invited to experience "hands on" how this test
of physiology can help discern health issues in a
completely safe, non-invasive, non-radiating, proactive way
for applications from head to toe!
